

REPUBLIC OF INDONESIA
MINISTRY OF PUBLIC WORKS
DIRECTORATE GENERAL OF WATER RESOURCES
BALAI WILAYAH SUNGAI KALIMANTAN II

REQUEST FOR EXPRESSION OF INTEREST (REOI)
For
ENGINEERING SERVICES
For Muara Juloi Multipurpose Dam Project
under
Economic Development Cooperation Fund (EDCF) Loan No. INA-22

1. The Government of the Republic of Indonesia (GOI) has received a loan from the Economic Development Cooperation Fund (EDCF) under Loan Agreement No. INA-22 signed on October 30, 2018, towards the cost of the Engineering Services Project (ESP) and intends to apply part of the proceeds of this loan to payments for the consulting services for Muara Juloi Multipurpose Dam Project for which this invitation to bid is issued.
2. The consulting services (the Consultant) will assist the Project Implementation Unit (PIU) for Muara Juloi Multipurpose Dam under the Balai Wilayah Sungai (BWS) Kalimantan II, DGWR (the Directorate General of Water Resources), Ministry of Public Works and Housing, the Government of Republic of Indonesia. The services will include: (a) Review the existing Feasibility Study for the Muara Juloi Multipurpose Dam, (b) Prepare the Detailed Engineering Design for the dam and securing the approval of the dam design by the Ministry of Public Work and Housing through Dam Safety Commission, and (c) Review the AMDAL (Environmental Impact Assessment) documents. The period of these services is 20 (twenty) months with estimated input of 249 MMs of the international and national experts. The estimated cost for the consulting services is \$ 3,183,424, - (Three Million One Hundred Eighty Three Thousand Four Hundred Twenty-Four Dollars).
3. The BWS Kalimantan II (*Satuan Kerja*), as the employer of the Consultant (the Employer), now invites eligible consulting organizations (limited to Korean companies in Joint operation with Indonesian Companies in which nationals of Korea hold more than 50% of shares) to indicate their interest in providing the services. Interested consultant should provide information demonstrating that they have the required qualification and relevant experience to perform the services, i.e. firm's profile (including shareholder structure and description of similar projects, name of client, type of services provided and brief description of the services, name and location of projects, period of contract, starting date and completion date). The shortlisting criteria are: firms' qualification and relevant experience in related field of services to be provided during last ten years. Experience in similar climate and geography will be preferred.
4. The Korean Companies are hereby requested to fully utilize the Indonesian Companies' resources and expertise of the works under similar condition and to effectively promote the transfer of technology to Indonesian Companies as a Joint Operation.
5. Consultants may associate with other firms in the form of a joint operation or a sub-consultancy to enhance their qualifications. For the purpose of shortlisting, the qualification of sub-consultant will not be considered in the EOI evaluation. Form of association of joint operation will not be permitted to be modified after submission EOI without prior approval of the Employer.
6. The consultant selection will be based on the Quality and Cost Based Selection (QCBS) method in accordance with the Guidelines for the Employment of Consultants under the EDCF Loan.
7. Interested Korean and Indonesian consortium are required to access the electronic procurement system (SPSE) of Ministry of Public Works and Housing (MPWH) to register and to submit EOI [<http://spseicb.pu.go.id/eproc-icb/>]. Further information can be obtained at the address below during office hours from 08:00 to 16:30 (Western Indonesia Time, GMT +7).
8. Expression of interest must be submitted through the electronic procurement system (SPSE) not later than October 23, 2019, at 23:59 local server time.

REQUEST FOR EXPRESSION OF INTEREST
For
ENGINEERING SERVICES
For Muara Juloi Multipurpose Dam Project
Under
Economic Development Cooperation Fund (EDCF) Loan No. INA-22

1. The Republic of Indonesia has the third Medium-Term National Development Plan (RPJMN 2015-2019) which serves as a framework for the medium term (five year) development. The main objectives of the RPJMN 2015-2019 are development of human being and community, narrowing the income gap through increased productivity and poverty reduction measures without environmental degradation. The objectives are channelled through three development dimensions: (i) human development, (ii) main sector development, and (iii) territorial and equity development.
2. Under the main sector of development dimension, (i) Food Sovereignty, (ii) Energy and Power Sovereignty, (iii) Maritime and Marine, and (iv) Tourism and Industry Development have been defined as four goals. In the RPJMN 2015-2019, Food Sovereignty is prioritized with a focus on constructing and modernizing water resources infrastructure including dams. In line with the priorities of the RPJMN 2015-2019 as stated above, the MPWH came up with its own Strategic Plan (RENSTRA 2015-2019) incorporating the ministerial target of constructing 65 new dams and protecting total 200,000 ha of inundated area of farm, urban, and maritime. MPWH stated that the Project had been incorporated in the water resources development program of the MPWH as the implementing action plan for RENSTRA 2015-2019.
3. To achieve national development priorities through the RENSTRA 2015-2019 and to minimize the obstacles that occur during the implementation, the MPWH need to prepare for technical planning including detailed design, environmental and social impact assessment as well as the land acquisition and resettlement plan for the Multipurpose Dam Development projects and River Basin Flood Management projects.
4. The Balai Wilayah Sungai Kalimantan II (Satuan Kerja), Directorate General of Water Resources, Ministry of Public Works and Housing, the Government of Republic of Indonesia, has received a loan from the Economic Development Cooperation Fund (the EDCF), to support the GOI's efforts to ensure that high-priority projects are implemented efficiently by advancing preparatory activities in a systematic manner through engineering services for the five (5) Multipurpose Dam Development projects and four (4) River Basin Flood Management projects.
5. The *Satuan Kerja*, as the employer of the Consultant (the Employer), now invites eligible consulting organizations (limited to Korean Companies in Joint operation with Indonesian Companies) to indicate their interest in providing the services.
6. Interested consultant should provide information demonstrating that they have the required qualification and relevant experience to perform the services, i.e. firm's profile (including shareholder structure and description of similar projects, name of client, type of services provided and brief description of the services, name and location of projects, period of contract, starting date and completion date). The shortlisting criteria are: firms' qualification and relevant experience in related field of services to be provided during last ten years. Experience in similar climate and geography will be preferred.
7. Consultants may associate with other firms in the form of a joint operation or a sub-consultancy to enhance their qualifications. For the purpose of shortlisting, the qualification of sub-consultant will not be considered in the EOI evaluation. Form of association of joint operation will not be permitted to be modified after submission EOI without prior approval of the Employer. The consultant selection will be based on the Quality and Cost Based Selection (QCBS) method in accordance with the Guidelines for the Employment of Consultants under the EDCF Loan.
8. Interested Korean and Indonesian consortium are required to access the electronic procurement system (SPSE) of Ministry of Public Works and Housing (MPWH) to register and to submit EOI [<http://spseicb.pu.go.id/eproc-icb/>]. Further information can be obtained at the address below during office hours from 08:00 to 16:30 (Western Indonesia Time, GMT +7).
9. Expression of interest must be submitted through the electronic procurement system (SPSE) not later than October 23, 2019, at 23:59 local server time.
